RED DOG POKER

A change of pace that's loaded with play appealing features and graphics. Starting with credit play up to 50, players deal two cards face up and try for a third in between...after a shot at raising their ante. The tighter the spread, the higher the score.

And how's this for something extra —

Three of a Kind
Straight Flush
Super Jackpot 3 Aces

Now give the player a shot to collect his score or play for *DOUBLE*, and we'll bet your players can't play just once!

*COMPLETE WITH ALL THE GREAT **MERIT** FEATURES:*
